

APARTMENT-HUNTING IS UNLIKE LION-HUNTING—YOU MAY FIND A LION—By Goldberg.

DAVENPORT WINS FIRST GAME 50-0

Dowell Tribe Easy Meat for Athletes in Uninteresting Contest Before 1,700 Fans.

BY HECK.

Before some 1,700 fans who paid 50 cents and 75 cents and \$1 to gain admittance to the new gridiron stadium, the Davenport Athletic club eleven rode to an easy victory over the Dowell (Iowa) team in the opening game in Davenport yesterday, 50 to 0. It was a complete walkaway for the Dry City boys. The game was marred by frequent penalties inflicted to the Davenport team, principally because of the linemen being offside. The mighty Galvin did not enter the fray until the second half and then only ran with the ball once, so the Davenporters got little opportunity to see their phenom in action.

"Waddle" Kneel, who himself admits that he is some football player, proved to be the hero of the day, scoring three touchdowns and outplaying his mates in the backfield. Alie Woodsatt, the Moline light, also covered himself with glory at the pivot position making three scores and running the squad through the paces in fine shape. The extremely warm weather tended to slow up play. The teamwork of the D. A. C. was marred by frequent changes in the lineup, every man on the squad being given a chance to show. The Oelwein club presented a team of the same strength as last season, indicating that the Athletes are stronger this season. The Oelwein team was greatly outweighed and won the next play smashed through tackle for the first touchdown of the season. Brindley tried a pass and missed. Sterling lost the ball on downs on their own 25-yard line. Davenport ripped off 20 yards and won. Murphy was held with a pass, then Brindley went through and won. The second quarter telling smash came. Davenport and Brindley nabled the locals to get within striking distance again and Davenport tried it over on a line smash. Brindley missed goal by a narrow margin. He ended with the score 13 to 0. The second half Brindley kicked to D. A. C. who tumbled and Kolls recovered the ball on Sterling's 30-yard line. Brindley smashed through for a 10-yard gain and Quinn added 10 more. Robb drove through center and over for third touchdown. Brindley kicked goal. Score 26 to 0.

With Mansfield and Morris carrying the ball the locals worked the pigskin up to within striking distance again at the start of the fourth quarter and Davenport carried it over. Kolls booted a goal. Score 27 to 0. Securing the ball on Sterling's 40-yard line the Independents carried it up to the 30-yard line by a series of short smashes. Here Smith drove back and he was plowed over for 20 yards before being stopped. On another smash he headed and carried it over on the next play. Kolls missed goal. Final score 27 to 0.

NORTHWESTERN WILL GET STAR END BACK

Brooklyn, 2-0; Cincinnati, 1-0.

Boston, 6-0; St. Louis, 0 (lost) and 1 (one); darkness).

SOX WORKING TO GET INTO SHAPE

Schalk Will Have Very Little to Do While Weaver and Collins Will Keep On Going.

Boston, Mass., Sept. 24.—Now that the pennant is won and the celebrations are over, Chicago's champion White Sox will begin work today with one idea in mind—that being to get into the best possible physical trim for the opening of the world's series against the Giants' crew from next Sunday.

This preparation work will be carried on while finishing the schedule of the American league games, and will close with three days of final drill on the home ground in Chicago. The boys have one more game to play in Boston, three in Washington and three in New York before they wind up the regular season. It will close a week from yesterday in Boston, and the Sox will depart that night for Chicago, arriving Tuesday night. They then will have Wednesday, Thursday, Friday and Saturday off for the start of the big show.

The plan of Manager Rowland is preparing the boys for the great battle to give some players a rest and others a lot of work. For the most part, however, the regular team will be sent upon the field at least for a part of each of the remaining games.

There will be some exceptions. For instance, Ray Schalk is to do very little actual playing in games, as he has been overworked during the season and needs a lot of rest.

On the other hand, Eddie Collins proves to stick right on the job and keep going at the same pace he has maintained all year. Joe Jackson is to have three days of rest while the team is in Washington, except that he will appear in a benefit game here Thursday night. Hal Chase, players to keep going, had a slight injury in one leg which needs a rest. Buck Weaver intends to work every day, though he may stay out of some of the games. The star pitchers—Cronin, Faber, and Russell—into whom expected to participate in the final games. He has been keeping fit working on his father's farm near Oelwein. Johnson's name has been among those listed as in the big series will do some hurling having joined the serving but this is not the case.

Upon to overexert.

M'CARTY ELECTED CAPTAIN OF LOCAL HIGH SCHOOL TEAM

Vincent McCarty, 927 Fifteenth street, was elected captain of the Rock Island high school football team Saturday just before the game with the alumni. "Mac" is the answer of players this year to fill the vacancy left by Jack Drillic. McCarty was a member of the team last year, playing on the line and in the backfield. Coach Anderson is trying McCarty at quarterback this year and he is making good. Everybody is pleased with the selection of the election and wishes "Mac" good luck throughout the season.

LOUIS CHEVROLET IS FIRST IN BIG RACE

New York, Sept. 24.—Louis Chevrolet, driving a powerful Frontenac Special, triumphed in the 100 mile race at the Harkness gold trophy on Saturday, and incidentally shattered the world's competitive record and the American record for that distance.
